Dimensions: 8.0in. x 5.2in. x 0.6in.When a bloody painting is found hanging on a caf wall, Benny James is summoned by the local police department. As a retired FBI detective now working as a private investigator, he remains a major player when it comes to peculiar murder scenes and cracking clues. Tracking down the killer with Officer Vernon Kearns, the partners find bizarre art pieces that lead them to discarded bodies. As the list of suspects grows, a couple of artists living in a broken down plantation house piques their interest. One of the artists has the odd habit of taking on the personalities of others. The other has a secret she is desperately trying to hide. Vernons detective skills mature as he and Benny rendezvous with another eccentric cast of characters, new and old. For the small town in Georgia this may be the most important case of Bennys life as the town teeters on fears edge. This item ships from La Vergne, TN. Paperback.
