CREEPER INVASION (PAPERBACK)

Skyhorse Publishing, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. The three friends trapped in their Minecraft game have never been closer to escaping the Overworld, and they can't wait to return home after being trapped on the server for so long. But then a vicious horde of creepers attacks, delaying their escape. Soon the gang learns that there's a new villain behind the attack: a griefer so twisted that he'd rather stay trapped in the Overworld than live a mundane life in the real world--and he has no qualms about keeping every other player trapped on the server with him. Can the friends and their new allies defeat the creepers, conquer their new enemy, and finally return home? Friends and enemies unite against evil in this exhilarating fifth book in bestselling author Winter Morgan's Unofficial Minetrapped Adventure series. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers--picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
