Description: Since 1992, schools throughout Texas have partnered with the Industrial Areas Foundation ( IAF ) organization to create a variety of enrichment opportunities for young people, including after-school and summer enrichment programs. Parents, teachers, and principals from Alliance Schools throughout Texas have worked with IAF leaders to design, secure funding for, and find leaders to deal with the day-to-day challenges of running after-school programs. Services: The Alliance Schools create after-school enrichment programs and summer programs. The Industrial Areas Foundation ( IAF ) addresses disparities in educational achievement and includes components of parental involvement to serve low-achieving schools. The key is for the programs to be flexible enough to accommodate the different schedule of students parents, teachers, and school staff. While each schools program is different, most programs offer some combination of the following: tutoring and computer classes; recreational games and organized sports; arts, crafts, music, and...
