RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 46 pages. Original publisher: Washington, D. C. : The Office, 2000. LC Number: QA76. 9. A25 U56 2000 OCLC Number: (OCoLC)45145943 Subject: Computer security -- United States -- Congresses. Excerpt: . . . B-285625 For most of the instances where security weaknesses were actually exploited, EPA had not fully documented the extent of resulting damage or disclosure. Such information is helpful in better understanding security risks and in determining how much to spend on related controls. EPA did not routinely analyze problem reports to identify trends and vulnerabilities and apply lessons learned to other units throughout the agency. EPA did not fully follow up on problems to ensure that they were resolved and that identified vulnerabilities were not repeatedly exploited. Problem listings were not protected from browsing. Such protection is important to ensure that intruders or others cannot gain detailed information on security vulnerabilities awaiting correction or monitor the investigations of incidents that they may have originated. EPA had not established adequate standards, controls, responsibilities, and procedures to ensure uniform and complete management of security problems and responses or clearly differentiated government and contractor responsibilities. EPA had not...

Reviews

I actually started out reading this article ebook. This is for those who statte that there had not been a worth reading. Its been developed in an extremely easy way and it is just after i finished reading this book in which in fact modified me, change the way i really believe.
