Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Study of Open Hearth: A Treatise on the Open Hearth Furnace, and the Manufacture of Open Hearth Steel Realizing as we do that only by a full understanding of all the conditions encountered in actual Open Hearth practice, can refractory materials be so manufactured as to maintain the highest standard for such work, we have made this study of Open Hearth steel furnaces and their operation essentially for the use of our Operating Department. So much interest in this article, however, has been shown by a number of Open Hearth superintendents, who have suggested it as being of interest to iron and steel men generally, that we have decided to publish it in this form. This study claims no originality. Its aim is to put into as concise form as may be, the principles involved, together with such detailed description as may render the subject matter plain to one familiar with no more than the most elementary principles of chemistry and metallurgy. Other articles will be issued from time to time on blast furnaces...
