Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Crescent Moon Publishing. Paperback. Book Condition: New. Paperback. 412 pages. Dimensions: 9.2in. x 6.1in. x 1.0in. THE CHRISTMAS MOVIE BOOK Christmas and the world of cinema: two things that go together like mincemeat pies and mulled wine. There are few categories of film which have captured the imagination of young and old for so many years, or which have brought with them such nostalgic charm and warm sentiment. But what is it about the Christmas movie that has proven to be so creatively adaptive over the years, and why has the genre remained so perennially popular amongst audiences all across the world This new study charts the evolution of the Christmas film, starting in 1945 with *The Bells of St Marys* (Leo McCarey), and continuing up to the present day with the 3D version of *A Christmas Carol* (Robert Zemeckis, 2009). From the silver screen magic of *It's a Wonderful Life* and *Miracle on 34th Street* to the madcap seasonal comedy of *Home Alone* and *Elf*, by way of *White Christmas* and *Black Christmas*, this book considers a wide selection of some of the most enduring festive movies from the past seven decades. With a detailed exploration of each film's themes and cultural influences, *The Christmas Movie Book* also features a comprehensive timeline of key works in the genre, a filmography, notes, and illustrations, and examines why it is that these well-loved classics continue to enrapture generations of movie-goers. Thomas Christie has a life-long fascination with films and the people who make them. Currently reading for a PhD in Scottish Literature, he lives in Scotland with his family. He holds a first-class Honours degree in Literature and a Masters degree in Humanities, specialising with distinction in British Cinema History, from the Open University in Milton Keynes, England. Tom is the author...
