Reviews

A very great ebook with perfect and lucid answers. It can be packed with wisdom and knowledge I found out this book from my dad and i encouraged this publication to learn.
(Elena McLaughlin)

ARMY TACTICS, TECHNIQUES, AND PROCEDURES ATTP 4-41 FM 10-23 ARMY FIELD FEEDING AND CLASS I OPERATIONS

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 192 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. Food is fuel for the Soldier. Providing nutritious and high quality subsistence to Soldiers is paramount to the Armys success and mission accomplishment on the battlefield. Field feeding directly affects the morale, combat effectiveness, and health of the combat Soldier. The objective of the Army Field Feeding System (AFFS) is to provide Soldiers the right meal at the right place at the right time. Achieving this objective is an ever-evolving challenge because of modular force packaging that supports brigade-centric operations. The Army tailors modular force components based on the scope of the Army or joint mission. The modular Army force is faster, more agile and adaptive, multifunctional, lethal and capable of conducting full spectrum operations. Class I operations and field feeding systems must continue to evolve to ensure Army food service operations continue to serve as a ready and relevant force component. This Army tactics, techniques, and procedures (ATTP) provides field food service doctrine through methods, techniques, and procedures for providing subsistence to Soldiers during the full spectrum of military operations. Commanders, logistic staff planners, food advisors, Class I managers, food operations managers, subsistence supply handlers, and food service specialists are the intended audience for this manual. Because no two missions are the same, personnel must adapt the doctrine in this manual to fit the needs of the given situation and mission. Since this manual was last published, the Army has conducted many combat and stability operations that have greatly affected the way Class I is provided to Soldiers. This manual incorporates these lessons learned. Where appropriate, this manual references other food service doctrinal publications, such as Army Regulation (AR) 30-22, Department of the Army (DA) Pamphlet 30-22, and field manual...
