

## Ape and Essence: A Novel

Filesize: 3.06 MB

### ***Reviews***

*A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.*

Ivan R Dee, Inc. Paperback. Book Condition: new. BRAND NEW, Ape and Essence: A Novel, Aldous Huxley, When Aldous Huxley's Brave New World first appeared in 1932, it presented in terms of purest fantasy a society bent on self-destruction. Few of its outraged critics anticipated the onset of another world war with its Holocaust and atomic ruin. In 1948, seeing that the probable shape of his anti-utopia had been altered inevitably by the facts of history, Huxley wrote Ape and Essence. In this savage novel, using the form of a film scenario, he transports us to the year 2108. The setting is Los Angeles where a "rediscovery expedition" from New Zealand is trying to make sense of what is left. From chief botanist Alfred Poole we learn, to our dismay, about the twenty-second-century way of life. "It was inevitable that Mr. Huxley should have written this book: one could almost have seen it since Hiroshima is the necessary sequel to Brave New World."-Alfred Kazin. "The book has a certain awesome impressiveness; its sheer intractable bitterness cannot but affect the reader."-Time.
