Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *Public Relations, Edward L. Bernays and the American Scene: Annotated Bibliography of and Reference Guide to Writings by and About Edward L. Bernays* By any test, public relations is today a recognized profession; it has its responsible practitioners; it has a growing number of university courses; it has a growing sense of social responsibility. It has its own training courses and it can point to a steady growth of conscious public relations activity by profit and non profit institutions and by government agencies with professional public relations counsel in charge. Most important for our purposes, public relations has its own field of literature and this book will deal with a vital segment of that field. Literature on public relations is extensive, but a check of public libraries reveals that much of this literature is scattered in books on related subjects and in magazines. Bibliography of the field is extremely limited. Yet bibliography is recognized as a vital tool in providing an organized approach to basic knowledge and points of view in any subject. To individuals working in any field of research or study, bibliography is indispensable. Unfortunately, there has been little bibliography in public relations, principally because it is a new subject. There are, to be sure, journals which cover the literature in related fields, such as *The Public Opinion Quarterly*; but these concern themselves chiefly with books, and do not as a rule cover even important material appearing in magazines and other publications. There are two important bibliographies in the general field - *Propaganda and Promotional Activities*, edited by Lasswell, Casey and Smith and published by the University of Minnesota Press in...
