This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Me and Mr. Darcy, Alexandra Potter, He's every woman's fantasy. After a string of nightmare relationships, Emily Albright has decided she's had it with modern-day men. Shed rather pour herself a glass of wine, curl up with Pride and Prejudice and step into a time where men were dashing, devoted and honourable, strode across fields in breeches, their damp shirts clinging to their chests. So when her best friend invites her to Mexico for a week of margaritas and men, Emily decides to book a guided tour of Jane Austen country instead. She quickly realises she won't find her dream man here. The coach tour is full of pensioners, apart from one Mr Spike Hargreaves, a foul-tempered journalist sent to write a piece on why Mr Darcy's been voted the man most women would love to date. Until she walks into a room and finds herself face-to-face with Darcy himself. And every woman's fantasy suddenly becomes one woman's reality.
