Tate Publishing Enterprises, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Fashion is like art to me. People look at a particular piece of art, and it s like. they just don t get it. I see fashion as one of the most beautiful things in the world. I don t consider only the high-class pieces to be fashionable and fabulous. I think, as in most things, beauty is in the eye of the beholder. A trend is a particular part of fashion that society is focusing on at the moment. Style is a woman s means of expressing herself through clothing, makeup, hair, and accessories. Know your style, like your favorite pair of shoes! I believe in this power-packed, 13-step practical guide for women s personal development (a modern term for polish and balance, self-management, and striving for a confident life). As a part of this guide book, you will learn how to develop an attitude, which brings peace, success, and confidence. Additionally you will come to understand that good grooming is essential to getting ahead in a competitive world. Your appearance should match your ambition. No matter who you are, or where you are in your journey, you can enhance your life. Self-confidence makes any woman at any age look and feel more beautiful, fashionable, and fabulous. I included in this book some of my personal experiences of how I beat the odds in the middle of a storm. Most people would crumble from all those expectations and people pulling on them, but I did it with style, panache, and grace; I think this adds another touch of glamour to this easy read. I wrote this book with you in mind. This book gives you...
