An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

We cannot understand the cathedral unless we know something of its ministers and of how they have carried on these tasks. In this first chapter we must therefore piece together the story of the men who have served God in the Church of Llandaff. But it is a story even more venerable than theirs; it reaches back further than that of any English cathedral, and it shows us, in many forms and in many ages, an attempt, hampered often by poverty, sometimes gallant, sometimes all too half-hearted, to maintain the work of God. The ministers of Llandaff Cathedral must be one of the oldest fraternities on British soil. Their foundation is older than the oldest.
