The Faranan colony wages war on the rest of the solar system and tries to wrest power from Erenarch, the capital planet. Recruits for the war effort include a Darisian street urchin named Miranda Powers. After years spent fighting in interplanetary war theaters, Miranda distinguishes herself as a battle-hardened officer in Network Command, but her true talents lie in strategy and training young recruits. The next phase in Miranda s career will be grooming young geniuses for leadership at Erenarch Academy. But just as it appears that peace across Dragon Stead is finally within reach, a startling discovery on Daris calls her back to her home planet.
