Reviews

It is great and fantastic. It can be writter in easy phrases and never hard to understand. You will not really feel monotony at at any time of your respective time (that's what catalogues are for concerning if you request me).

(Michel Halvorson)

THE CAMBRIDGE PORTFOLIO (VOLUME 2)

General Books. Paperback. Book Condition: New. This item is printed on demand. Paperback. 82 pages. Dimensions: 9.7in. x 7.4in. x 0.2in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1840. Excerpt: . . . designated as No. 4. Mr. Warton also collected many particulars relating to the effigies of Milton, which are printed in Todds Edition of Miltons Poetical Works, 1809, Vol. i. p. 102. It seems probable that Mr. Reynolds, mentioned in Mr. Holliss memorandum, was the celebrated painter, afterwards Sir Joshua Reynolds. There is a monument to the English Poet, of a different kind, in another place: --amongst the MSS. of Trinity College is a collection of his autograph bearing this description: Lib. Trin. Coll. Cantabr. Membra hac Eruditissimi et psene Divini Poetae olim misere disjecta et passim sparsa, postea vero fortuito inventa, et in unum denuo collecta a Carolo Mason, hujus coll. socio, et inter miscellanea reposita, deinceps ea, qua decuit, religione servari voluit Thomas Clarke, nuperrime hujusce Cpllegii, nunc vero Medii Templi, Londini, Socius-- 1736. In another hand is added Mr of the Rolls, 1750, and Knight. The stranger, who in his tour of inspection visits the Library of this College, has missed the richest article in this great treasury of interest, unless some influence at court here has obtained for him a view of Miltons manuscript. Reverence for the sublime power of the Poet will induce every one to look upon this writing with some sort of interest. One who is acquainted only with the modern form of his own language, will be a little surprised at the strange antique shapes here presented by words familiar to him. A few, to whom the structure of...
