ANIMAL RIGHTS (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Animal rights do not exist. Animal rights is a subterfuge for terrorists to disguise themselves as animal rights activists in order to undermine the social order. Animal rights is a conspiracy of extremists who intend to strip away our constitutional rights. Animal rights activists are a hate group and the animal rights issue is just a vehicle to disguise its character. Animal rights extremists prefer to see their children die rather than use a test animal to develop a medicine to save them. This cannot be called simply radicalism or extremism. This is a monstrosity of the worst kind ever experienced in human history. The war they wage against humanity is a war of terror, and animals are merely used as a pretext to cover up their hatred of human society, so that it appears they have a just cause. Rights are a human creation used to control human social interaction. Rights did not exist before there were humans, since one must be able to understand the concept in order to follow it. The concepts of right and wrong, guilt and innocence, as well as the concepts of rights and duties, are the product of human reason and reflection. We are able to create concepts because of our inherent cognitive and perceptual powers of the mind and our ability to apply knowledge, experience, understanding or common sense and insight. Therefore, since rights are a human creation, rights belong to humans only, because no other creature could ever create the concept of rights. The animal rights idea is that animals should be given the same consideration as human beings. Advocates of animal rights claim that animals should be viewed...
