AMERICA AND THE AMERICANS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from America and the Americans During my services as an officer in a regiment of Lancers in the Belgian army, of which Prince Achille Murat was Colonel, he presented me with a copy of some valuable Notes, which he had written for the amusement and information of his esteemed and talented friend, the Count Thibaudau. The Prince left our regiment and the army, much to the regret of King Leopold, in consequence of the absurd jealousy of the Northern Powers, he being a member of the Bonaparte family ! What a change has now come over the spirit of their dream ! With the consent of these very powers (more from compulsion than free will) the nephew of the Emperor is President of the Republic of France! while other branches of the proscribed family are holding high official appointments. Thus much for the march of Liberty! and well hath Byron said: Freedom's blood's the growth of Freedom's tree. The Colonel was not only much esteemed and beloved by his corps, but from his amiable, chivalrous and frank manners, became the intimate personal friend of the King; and his society was moreover much valued in the agreeable and enlightened circles of Brussels. I arrived in the United States with the hope of renewing my acquaintance with him, when to my heartfelt regret I learnt that he was no more. I now present the Notes to the public: they bear the impress of a reflective and inquiring mind, and have afforded no small gratification and useful information to many of my literary acquaintance in Europe.
