This item is printed on demand - Print on Demand Neuware - Essay from the year 2004 in the subject Sport - Sport History, grade: 1,2, University of Aberdeen (Department of Cultural History), course: Sport History, 17 entries in the bibliography, language: English, abstract: .Comparing the physical educational concepts of Germany and Britain, this paper examines the development of physical culture in the nineteenth century. The compatibility of ROUSSEAU s quotation to both notions assumes that there might be a common ground for each physical education approach. Enormous social, economical and political development affected whole Europe according to the Enlightenment and influenced the physical culture but in different nations to a different extent. Hence, I focus on the differences in the development of physical education. 20 pp. Englisch.

### Reviews

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
