Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Everett Stanton)

TALES FROM A DISTURBED MIND STORIES OF PREDATORS AND SURVIVORS IN A HOSTILE WORLD

AuthorHouse. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.0in. x 5.0in. x 0.4in. Tales from a Disturbed Mind Stories of Predators and Survivors in a Hostile World is a roller coaster ride of various short stories exploring the predatory nature of our human existence and how one survives in such a hostile world. The predators in these stories range from the urban street life that threatens the security of a very creative child in The Importance of Superheroes, to Enids Pet, in which a man eating carpet puts a human leech in his proper place. In Tales from a Disturbed Mind the sense of reality in many of the stories often shifts to the point that its difficult to know just what is real within the minds of the characters. These stories pull you into a world where there are no boundaries between the real and the imagined--where the irrational becomes the rational and nightmares become reality. After all, sometimes insanity may be the only way to truly survive. To experience what it might be like to have a psychotic break, pick up and read Tales from a Disturbed Mind. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
