

Shakespeare's Common Prayers: The Book of Common Prayer and the Elizabethan Age (Hardback)

Filesize: 9.08 MB

Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Oxford University Press Inc, United States, 2012. Hardback. Book Condition: New. 216 x 150 mm. Language: English . Brand New Book. Shakespeare s Common Prayers revolves around Shakespeare s great overlooked source: the Book of Common Prayer, first published in 1549, whose appearance established Protestantism as the compulsory belief of the day. Written in a simple vernacular and incorporating familiar Catholic rituals, the book laid out the proper performance of church rites and services. And yet it was also highly disputed and constantly in flux; as Daniel Swift shows, the prayer book s history is one of passionately contested revision and of manic sensitivity to a verb or a turn of phrase. In the book s ambiguities and fierce contestations, Swift argues, William Shakespeare found the ready elements of drama: dispute over words and their practical consequences, hope for sanctification tempered by fear of simple meaninglessness, and the demand for improvised performance as a compensation for the failure of language to do what it appears to promise. Swift offers a study of Shakespeare at work: of his imagination at play upon a set of literary materials from which he both borrowed and learned, of his manipulation of the explosive chemistry of word and action that comprised early modern liturgy. Swift argues that the Book of Common Prayer mediates between the secular and the devotional, producing a tension that helps make Shakespeare s plays so powerful and exceptional. Tracing the prayer book s lines and motions through *As You Like It*, *Hamlet*, *Twelfth Night*, *Measure for Measure*, *Othello*, and particularly *Macbeth*, Swift redirects scholarly attention to the religious heart of Shakespeare s work and time.
