Over the past several years he has had countless opportunities to meet people at their best and sadly enough to meet them at their worst. In some ways police officers are street psychologists, quickly learning to distinguish peoples concerns, needs and wants. From these experiences the Seven Ways To Heal A Relationship was born. Having authored 100 Phil Stories in 2002, Philip decided to do it again. This time a book of thought and reflection. A book that heals. Philip knows that it is impossible to have a formula for everyone s exact situation, but with a little inner reflection healing is found! With healing comes happiness. Philip lives on a small farm near Boulder, Colorado with his wife Bree, daughter Lilly and are currently awaiting the birth of their twins!.
