Travel past the orphanage to the surrounding villages, and stoop inside darkened huts to greet men, women, and children whose stories of amazing faith give you strength and courage to go forth and fight the everyday battles. See the AIDS epidemic spread from household to household, yet watch as each one rises from the ashes and keeps going. Return in the evening to the quiet cement house enveloped in darkness, the only light a small glow from your candle. Look around the room at your new friends, a people willing to trust God and find joy in the midst of these devastating circumstances. You will come to realize that no matter what a person faces, the pain of grief and hardship is greatly diminished in the presence of lavish love. Come experience true love!
