Reviews

It is one of my personal favorite book. It is one of the most incredible ebook i have got go through. You will not feel monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).

(Giuseppe Mills)

STEELWORK

Dalkey Archive. 1 Paperback(s), 2012. soft. Book Condition: New. Like a series of snapshots, this 1970 novel by the author of *The Sky Changes* presents a panoramic view of a Brooklyn neighborhood between the years 1935 and 1951. In short, colorful episodes both profound and profane, *Steelwork* details the collapse of a basically decent, homogeneous group of people into a greedy, ignorant rabble corrupted by the easy money of the war economy. And although there are many characters who become familiar along the way, it is the neighborhood itself that is the true protagonist. "Gilbert Sorrentino has all the wit and charm of a great raconteur. His affection for the music of language is as fresh and appealing as that of a kid in love." Robert Coover 177.
