McSweeney's, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In the grand tradition of Neapolitan ice cream, ZZ Top, and Cerberus, the tri-headed guardian of Hades, this set combines individual, short fiction collections by three talented practitioners of the short-short form. Manguso's *Hard to Admit and Harder to Escape* is a series of crystalline recollections of her childhood misadventures; Eggers' *How the Water Feels to the Fishes* brings a deadpan absurdism to the intimacy and vision of his earlier work; and Unferth's rollicking *Minor Robberies* unleashes a horde of off-kilter characters and their indelible misadventures. Each author's work comes in its own hardcover, foil-stamped volume, and the three volumes are housed in an elegant slipcase.
